Location: MHE Library

Agenda

1. Welcome & introductions – (*Rick Graves*)
 - All present were introduced
2. Teacher report – (*Ed Goulart/Susan Meyer*)
 - Susan Meyer discussed changes in classroom configurations and teaching methods to make learning spaces more flexible and encourage individual growth and collaboration between students and with the teacher
 - School has reached the goal of one-to-one technology, meaning each student has access to an individual device such as an iPad, Chromebook, or Macbook
3. District Accountability Committee (DAC) report – (*Karl Boehle*)
 - District is becoming more focused on balanced student assessments and how to match those with Colorado Department of Education assessment standards
4. PTO Organization (PTO) report – (*Kaley Haavind*)
 - Mammoth Challenge is the Fall fundraiser, combining two events into one – the fun run and obstacle course
5. Key agenda item #1 – (*Rick Graves*)
 - Review purpose and goals of SAC
 - SAC bylaws were passed out and will be reviewed by each person and questions or comments will be discussed at the next meeting on 10/1
 - Review voting members-roles
 - Email solicitation will be sent out seeking new SAC members, specific need is for the Recorder position
 - Review by-laws and sign off
 - Sign off will take place at meeting on 10/1
 - Meeting dates for the year (9/10, 10/1, 11/5, 2/4, 3/4, 5/6)
6. Key agenda item #2 – (*Shanna Martin/Susan Meyer*)
 - Overview of strategic plan
 - District's Strategic Plan was reviewed by Shanna and Susan. How does the strategic plan live in MHE?
 - Discussion took place on how the District's Strategic Plan is being implemented at MHE. They shared key ideas and practices at MHE that are already in place. MHE staff feel that safety and world class education implementation is strong with a need to focus on system performance at the school level.
7. Key agenda item #3 – (*Shanna Martin*)
 - Current enrollment and budget

-MHE student count on 9/10/14 is 744, which is 7 less than was projected

8. Open forum for guests – (*Rick Graves*)

- Safety concerns

Chaparral late starts on certain Thursdays is creating traffic problems and safety concerns for our parents and students. DCSD security and Douglas County Sheriff have increased patrols in the area during these times

- Community concerns/input

-Internet usage at school on the electronic devices and student internet safety were discussed and students receive guided instruction on how to safely use the internet, and on proper protocols for posting and sending photos or information

-Possible Tech Enrichment opportunity may be offered – Shanna will follow up with Jenna Munoz on this

Next meeting:

- October 1, 2014 @ 6:30pm
