Tuesdays are set aside for crafty little hands to use their imaginations and create! Messes are bound to happen, but it's all in good fun!

Wednesdays are reserved for our future scientists and engineers! Either formal science experiments with Mr. Joey or open explorations!

Thursdays just got a little more creative! Structured art projects await those with big imaginations and creative little hands!

Fridays are a perfect time to relax with a movie, and then some fun in the gym with our packed gym cart or Kid's Choice in the cafeteria!
