Happy Halloween!

Good Luck Mr. Shane!!

It is with very mixed emotions that MHE BASE says goodbye to Mr. Shane! Mr. Shane has accepted a Senior Program Leader position at Sage Canyon BASE, in Castle Rock.

Mr. Shane has been with MHE BASE since November of 2015. He started with us as a Program Aide, and then was quickly promoted to Program Leader in September of 2016.

In addition to working at MHE BASE, Mr. Shane has also been busy attending CSU Global. He will be graduating in the Spring of 2019 with a Bachelor's degree in Business Management. In addition, Mr. Shane is also the drummer of the local band *Riot Pilots*! If you haven't checked them out yet – you need to – they are AWESOME!

We are going to miss Mr. Shane immensely, but we are so VERY proud of him, and wish him the best of luck on his new endeavor!

Please take a moment and wish Mr. Shane good luck – his last day with MHE BASE will be Friday, October 12th!

Fall Camp 2018

Please utilize the *Fall Camp Activity Schedule* to prepare for your child's week of fun! This is an excellent resource to find what the day's activity is, times, lunch needs and what else your child might need for the day. Many families have indicated that they print a copy out & hang it on the refrigerator, or snap a pic & have it readily available on their phone. The *Fall Camp Activity Schedule* can be found attached to all Fall Camp emails, or simply email kkcoquet@dcsdk12.org for a copy!
